

Our Savior Lutheran Preschool

Registration for 2021-22 will be totally different

THERE WILL BE NO IN-PERSON REGISTRATION

Beginning at 7am each day there will be a locked box outside door D for all registration forms and the \$75 non-refundable registration fee per child. The box will be available until 6pm. Please place form and payment in an envelope and time stamp it with the machine before placing it in the box. If there is no time stamp we will process your forms at the end of the group in the box. If you are registering more than one child you may submit all forms on the oldest child's first available drop off day. Any forms submitted before the date listed below, will be processed at the end of their designated day. IF you are unable to make it on your slotted day, you may drop it off any day following. Please drop off only your family's forms to help keep the process as fair as possible.

Our Savior Lutheran Preschool

- ♥ We feel that with our lower enrollment numbers, our current families will get their first choice or second choice.
- ♥ A confirmation of your registration and class session will be sent out as soon as we are able to get them entered and processed.

All 4 year old, five day, kindergarten prep classes will be at no cost to the parents, pending state funding. This is due to our participation in a program established by the State of Iowa to ensure quality preschool for all 4 year olds. The program is called, Quality Preschool Programming Standards (QPPS). Our Savior Lutheran Preschool has participated in this program for many years, and has found it to be a positive experience for students, parents, and school.
