Future Plans for DCE Intern Lauren Krueger

Hello everyone,

After much thought and prayer, I have decided that I am not going to go into full time church work after my internship ends in August. With this being said, I have had a wonderful experience at Our Savior over the last year and have loved my job. As many of you know, my husband and I welcomed our daughter into the world this past October and it has been difficult for me to balance my work and home life. I believe that this church, and especially the youth of OSLC, need someone in this position who can be more committed than what I feel I can do during this time of my life.

Nate and I love this church and we are incredibly thankful for all the love and support we have received from everyone throughout my internship. We plan on remaining members here and staying in the Quad Cities for the foreseeable future. I plan on volunteering at church, so I can continue to be involved with the youth and help them as they navigate how to stand firm in their faith in the culture we live in.

The Nominating Committee for the Board of Directors is seeking nominations for Vice President and one At Large member. Information and nomination forms are located on the back counter of church. Nominations due by May 12th.
